This Web page concerns the article, N. Matloff, *On the Need for Reform of the H-1B Nonimmigrant Work Visa in Computer-Related Occupations*, *University of Michigan Journal of Law Reform*, Fall 2003, Vol. 36, Issue 4, 815-914.

- Click here to download the entire article (at http://heather.cs.ucdavis.edu/Mich.pdf).
- The article itself lacks a table of contents. I have provided one below. If you are printing the article, you may also wish to print the current page so as to have a handy table of contents.

  Note: Add 814 to page numbers here to get the page numbers in the published version.

Table of contents:

- I. Introduction, p.1
- II. History and Usage Trends, p.4
