Rep. Howard Wolpe, Chrmn., House Subcommittee on Science, Space, and Technology, Minutes, Opening Statement.....	1
Rep. Howard Wolpe, Chrmn., House Subcommittee on Science, Space, and Technology, Prepared Statement.....	4
Rep. Sherwood Boehlert, House Subcommittee on Science, Space, and Technology, Minutes, Opening Statement.....	7
Rep. Sherwood Boehlert, House Subcommittee on Science, Space, and Technology, Prepared Statement.....	9
Rep. Wolpe Questioning Dr. John Andelin, Asst. Dir., Science, Information, and Natural Resources Division, Office of Technology Assessment (OTA)	11
Projections and Policy Analysis: A View from OTA, Prepared Statement of Dr. John Andelin,	14
Andelin Attachmt 1: OTA Reports on Human Resources for Science and Engineering (1985-1991).....	30
Andelin Attachmt 2: Chronology of Significant Public and Private (in []) Events Surrounding OTA Reports on Human Resources for Science and Engineering (1985-91).....	31
Andelin Attachmt 3: Response of Daryl S. Chubin (OTA) to (NSF Dir.) Erich Bloch’s 8/1/88 Letter and Comments on <i>Educating Scientists and Engineers: Grade School to Grad School</i>	33
Andelin Attachmt 4: Assessing <i>Educating Scientists and Engineers: Grade School to Grad School</i> , NSF Participant List...	46
Andelin Attachmt 5: “Blacks Earn Few Science Doctorates, Study Says,” <i>Washington Post</i> , 7 Aug 1988.....	47
Andelin Attachmt 6: Erich Bloch’s 8/1/88 Letter and Comments on the OTA Report <i>Educating Scientists and Engineers: Grade School to Grad School</i>	48
Rep. Wolpe questioning Dr John Andelin (OTA).....	62
Demographic Trends and the Scientific and Engineering Work Force: A Technical Memorandum, Dec. 1985.....	63
Wolpe questioning Dr John Andelin (OTA).....	98
Dr Peter House (Dir, NSF PRA) Memo to Dr Karl Willenbrock, Dir, NSF Directorate for Scientific, Technological, and Intl Affairs (STIA).....	101
Rep. Boehlert Questions Dr John Andelin (OTA).....	104
Excerpts from <i>The Practice of Policy Analysis: Forty Years of Art & Technology</i> , by Peter House and Roger Shull, 1991 Chapter 1 Overview and Chapter 4.....	106
Rep. Boehlert Questions Dr Andelin.....	148
Mr Jim Wells, Assoc. Dir, Energy Issues, Resources, Community, and Economic Dvlpmt Div., GAO, Testifies on GAO Investigation of NSF’s April 1987 Study, “The Science and Engineering Pipeline”.....	151
Statement of Jim Wells to the Subcommittee.....	154
Wells Attachmt: Org Chart of NSF Directorates, Divs, Secs Involved in Prep or Rvw of the April 1987 NSF “Science and Engineering Pipeline” Study.....	162
Rep. Wolpe and Rep. Boehlert Question Mr Wells and Dr Chubin.....	163
PRA Request for Printing and Distribution of “The Science and Engineering Pipeline,” 3/27/1989, as a PRA document...	165
Rep. Boehlert Questions Mr Wells.....	172
Request of Dr Peter House on 4/25/1989 to Publish PRA Report “Future Scarcities of Scientists and Engineers: Problems and Solutions”.....	173
Rep. Boehlert Questions Mr Wells Further on Preceding Document.....	174
Dr Peter House Requests (2/22/90) Publication of PRA Report <i>The State of Academic Science and Engineering</i>	175
Disclaimer that PRA Report “The State of Academic Science and Engineering” Is Not Official NSF Viewpoint.....	179f
Rep. Boehlert Questions Mr Wells.....	181
Testimony of Ronald Kutscher, Office of Employment Projections, Bureau of Labor Statistics (BLS).....	181
Kutscher Attachmt 1: “Scientific and Technical Employment, 1990-2005” by Douglas J. Braddock in <i>Monthly Labor Review</i> , Feb. 1992, pp. 28-41.....	182
Further Testimony by Mr Ronald Kutscher (BLS).....	196
Kutscher Attachmt 2: Full Description of the BLS Model (30 pages).....	198
Further Testimony by Mr Ronald Kutscher (BLS).....	228
Statement of Ronald Kutscher (BLS) to Wolpe Subcommittee (9 pages).....	229
Rep. Wolpe Questions Mr Ronald Kutscher.....	238
Testimony of Richard Ellis, Dir, Manpower Studies, American Association of Engineering Societies (AAES).....	240
Statement of Richard A. Ellis, Dir of Manpower Studies, AAES, to Subcommittee.....	244
Rep. Boehlert Questions Mr Richard Ellis (AAES).....	251
Ellis Attachmt 1: <i>AAES Engineering Manpower Bulletin</i> #105, Oct. 1990, “Prospects for Engineering Manpower”.....	252

Ellis Attachmt 2: AAES Engineering Manpower Bulletin #112, Sept. 1991, “Engineering Employment and Unemployment, 1991”.....	260
Rep. Boehlert Questions Mr Ellis Further.....	272
Testimony of Dr Stephen P. Dresch, Demographer and Former Dean, School of Business & Engineering Administration, Michigan Technological University.....	273
Statement of Dr Stephen P. Dresch, “Science & Engineering Labor Markets: Forecasts, Reality and Public Policy”.....	277
Testimony of Prof. Rustum Roy, Materials Research Lab, Penn State.....	287
Statement of Professor Rustum Roy.....	290
Rep. Wolpe Questions Prof. Rustum Roy.....	297
Testimony of Dr Kevin Aylesworth, Physicist & Founder of Young Scientists’ Network.....	297
Statement of Dr Kevin Aylesworth, Physicist & Founder of Young Scientists’ Network.....	300
Rep. Wolpe Questions Dr Aylesworth.....	303
Testimony of Dr Peter House, Deputy Dir, Office of Planning & Assessment, NSF, formerly Dir, PRA.....	304
Statement of Dr Peter House.....	305
Testimony of Dr Kenneth M. Brown, Dir, Science Resources Studies Div. (SRS).....	315
Statement of Dr Kenneth M. Brown.....	316
Rep. Wolpe Questions Dr House.....	322
Letter from Peter House to NSF Dep Dir Hancock with Summary Statement on Future Shortages, 12/22/88 & Rationale..	326
Rep. Wolpe Questions Dr House Further.....	329
Data Used by PRA in Projecting NS&E BS Degrees in Spring and Summer of 1989.....	332
Rep. Wolpe Questions Dr House on Graph and Data in NS&E BS Degrees in Spring and Summer.....	335
Rolf Piekarz, Head, Science & Innovation Policy Section, PRA, NSF, Responds to Charles Dickens, Head, Science and Innovation Policy Section, SRS NSF.....	338
Rep. Wolpe Questions Dr House About Piekarz’ Response to Dickens.....	343
